2. Frequently Asked Questions - Part 1

1. Is there any available information about the current rooming lists for the hotels?

- A final list of all the registrants will be sent to Nike tomorrow, after which they'll have the rooming lists finalized ideally by Wednesday 08/03.
- NIKE will finalize COVID and hotel lists on August 2nd.

2. Will the agenda be released this week?

- Yes. A final iteration is being done to include the Nike workshops, which will be dependent on some of the employees' schedule, thus the small delay in putting this out.

3. Will the ride-share passes be distributed too now?

- If you're referring to the Lyft codes, these will be distributed shortly before the conference.

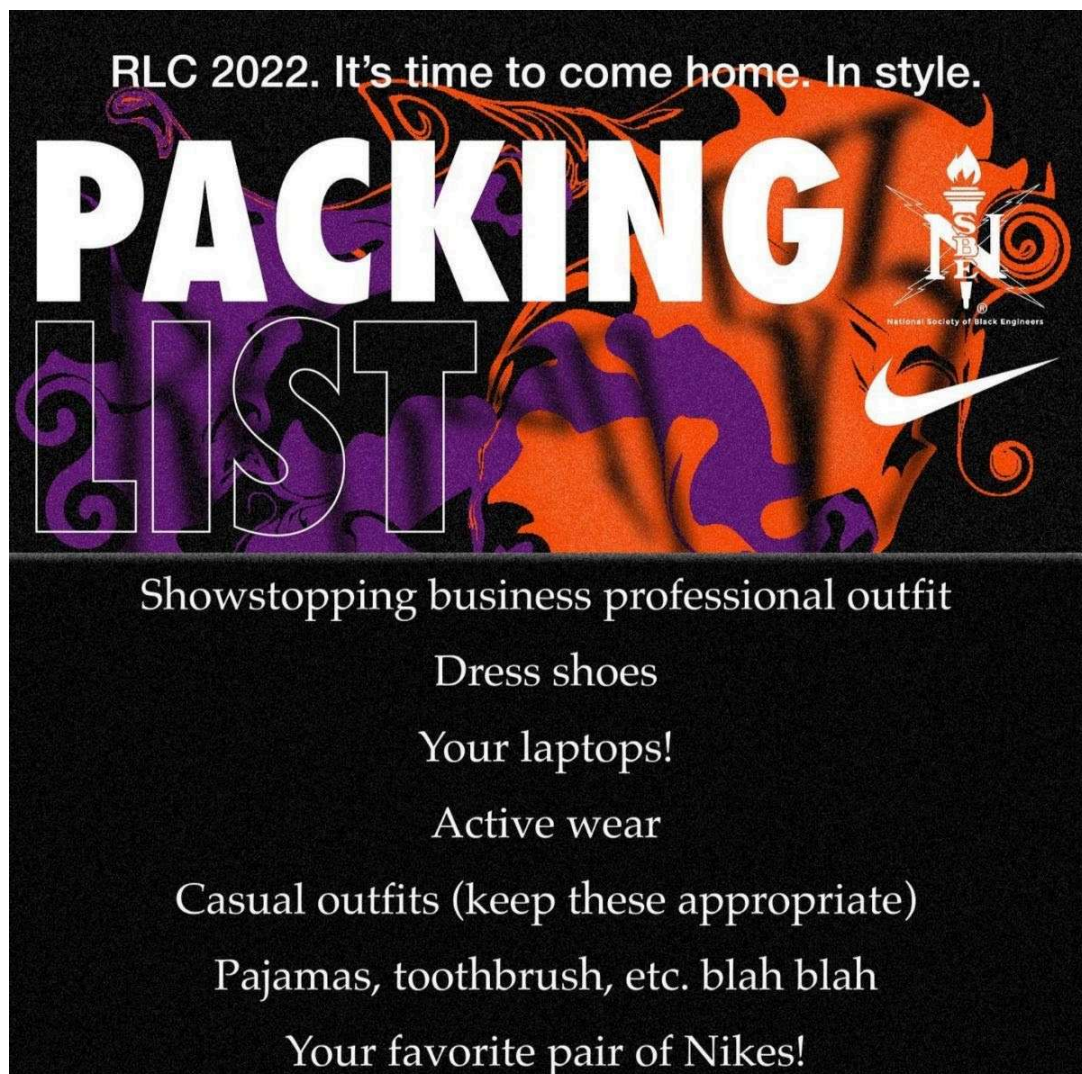

4. About the Lyft codes, they will be good for getting to the airport and then getting to the hotel and vice versa when we return home right?

- You are responsible for getting to the airport from your departing destination, but will have this option available for getting from the airport to the hotel, and vice versa as mentioned.
- As soon as you basically land in Portland, you won't need to worry about transportation.

5. How do we get from the airport to NIKE Campus?

- NIKE will provide Lyft codes.
- There will also be a shuttle to-and-from the campus.

3. Packing Gear
